## What a wonderful first half term we have had!

All of our children are now settled into nursery life. They have started to build friendships and relationships with peers and staff members.

During this half term staff will be focusing on carrying out assessments on each individual child. Staff will then be able to plan activities to support each child's learning and development further.

We are looking forward to lots of fun and festive activities over the coming weeks!

### Home Learning:

We are creating a recycle centre within nursery and we would be very grateful if you could bring in any of the following items: Empty yoghurt pots, newspapers/magazines, cardboard boxes, food boxes, egg cartons, plastic bottles (large/small), toilet roll/kitchen roll tubes etc.
